## PROFILE

hello!. My name is Alaa Sufi ,I am a front end developer , I love every things about technology.  
I always try to get **perfect pixels** in the ui, I like to make **animations** to add the magic for the projects.  
also I do not like to repeat myself ,so I use **snippets** role for that , you can check my codepen and codesandbox accounts.

## EDUCATION

### University of Aleppo

Bachelor of Mechatronic Engineering | 2015 -2019

Faculty of Electrical and Electronic Engineering  
General rating very good
